

Public Comment Themes from the Franchise Compliance Review Committee

In 2021, the San Diego City Council passed O-21327 and O-21328, which awarded the Gas and Electric Franchises to SDG&E. Section 6 of both ordinances established the Franchise Compliance Review Committee (Review Committee). Further outlined in Section 6(a), “[t]he Review Committee, which shall meet publicly and comply with the Ralph M. Brown Act, shall establish a mechanism by which members of the public may communicate with the Review Committee concerning the Franchise.”

Below is a list of the themes and topics the public raised during the Review Committee’s meetings. Also linked below are the written public comments that have been submitted to the Committee.

- General Franchise Comments
 - Vacant Council-appointed seat on the Franchise Compliance Review Committee
 - Concerns regarding increased SDG&E rates and SDG&E profits
- Underground MOU
 - Concerns regarding visibility and ease of public access to the status of undergrounding projects
 - In support of increasing transparency of undergrounding project timelines and project costs
- Energy Cooperation Agreement
 - Considerations regarding positions SDG&E has taken on the NEM 3.0 proceeding in relation to the commitments made within the ECA.
 - In support of increasing specificity of the actions in the Energy Cooperation Agreement Implementation Plan
 - Concerns regarding SDG&E interconnection timeline
