

FIRE PREVENTION WEEK

"PREVENT KITCHEN FIRES"

FIRE STATION OPEN HOUSES
OCTOBER 5TH -13TH, 2013

PRESENTED BY THE SAN DIEGO FIRE RESCUE FOUNDATION
IN PARTNERSHIP WITH THE
SAN DIEGO FIRE-RESCUE DEPARTMENT AND SDG&E

Cooking is the leading cause of house fires. In fact, two out of every five house fires begin in the kitchen - more than any other place in the home. Cooking is also the leading cause of fire-related injuries in the home.

That's why the San Diego Fire Rescue Foundation is teaming up with the San Diego Fire-Rescue Department (SDFD) and San Diego Gas & Electric (SDG&E) during Fire Prevention Week, October 6-12, to help spread the word about the dangers of kitchen fires - most the result of cooking that was left unattended - and to teach San Diegans how to prevent kitchen fires from starting in the first place. In addition, we will be providing educational materials designed to help citizens better prepare for wildfire season.

Together we will be hosting two Health & Safety Fairs and six fire station open houses. The complete list of participating stations is shown below. Among the activities planned for the Health & Safety Fairs are fire station tours, interactive demonstrations with the Kid's Fire Safety Trailer, photo ops with Sparky the Fire Dog, and firefighter simulations. Our community partner San Diego Project Heart Beat will be leading CPR/AED training and Rural/Metro will be performing blood pressure screenings and ambulance tours.

Through these educational, family-oriented activities, you can learn more about the importance of home fire safety, as well as the power of prevention. Each location will provide visitors with a variety of take-home materials including reusable tote bags, stickers, brochures, "fire chief" hats, coloring books, and more.

We hope you and your family will join us for one, or more, of these exciting events.

Fire Prevention Week - Health & Safety Fairs

Saturday, October 5th
10:00AM to 2:00PM
Fire Station 10 - College Area
4605 62nd St.
